Bilateral Meetings

- Saturday 14 May 2016 (09:30 am - 10:45 am)
- Saturday 14 May 2016 (11:15 am - 12:30 pm)

Description

CCDR Algarve is a public body charged to execute a broad regional development policy and to manage the Algarve Operational Programme (co-funded by EU structural funds). It has been a partner of EC Enterprise policy networks since 1989 (Euro Info Centre - 1989-2007; Enterprise Europe Network 2008-2014) to complement its central mission by supporting regional SME competitiveness and the innovation environment through specialized advice services on EU matters, access to EU finance, innovation management and international partnering.

Offer

Business Consulting Services (EU Funding and Internationalization)

As an Enterprise Europe Network partner we can support innovation and internationalization strategies of Portuguese companies and also help foreign companies to do business and invest in the Algarve and Portugal.

Therefore, we are looking forward to meet participants that need this kind of business assistance and advice. Our services are free of charge.
