- Saturday 14 May 2016 (11:15 am - 12:30 pm)

Description

The Easydivers is situated in Algarve, in Albufeira Marina since 2006, Portugal but the work in the sector since 1983. Albufeira is strategically located in the Centre of the Algarve and is considered the capital of tourism. Our location allows quick access to the best dive sites of the South coast. Our philosophy, provide high-quality diving services in compliance with all safety requirements, with particular attention to the preservation of underwater environment and nature itself. When diving with us you will have access to various types of diving, such as shipwrecks, reefs, wall diving, caves, artificial reefs, etc., where there is an abundance of marine life that makes the experience exciting for those seeking a breakthrough, an adventure and a magnificent scenario. Our customers will find the same place all kinds of underwater activities from diving, dive courses outputs, sale and repair of equipment, etc. Our Center has a L&W compressor with capacity to fill 450S bottles up to 300 bar and is equipped with a Blender Nitrox up to 40%. We are a certified company by Turismo de Portugal no 130, Sports Institute of Portugal no. 126, Professional Association of Diving Instructor # 799273, Scuba School International No. 735142. We are covered by insurance against Civil liability and personal accident MT World fidelity because security is our requirement.
