### Offer

## Active and Nature Tourism Activities in the West Algarve

Quimera Experience offers nature tourism services such as trekking day trips, thematic routes, carriage rides, wine tastings programs, guided tours and outdoor yoga programs.

Our programs are focused on the region’s natural and human heritage, culture and gastronomy.

We are looking for agencies and tour operators to sell our services in their home country. We are also available to create personalized nature tourism itineraries with a complete range of services like transfers and lodging bookings with our business partners.

**The kind of tourist we want to reach is the walking tourist, wine tasting tourist, active tourist, families and seniors.**
