### BILATERAL MEETINGS

Saturday 14 May 2016 (09:30 am - 10:45 am)

Saturday 14 May 2016 (11:15 am - 12:30 pm)

**DESCRIPTION** PerNatur - Nature Trails is a company based in Olhão, in the heart of Ria Formosa Nature Park, that offers guided walking trails in the hills and natural surrounding area. Nature trails are conducted in the areas of Cerro da Cabeça, Cerro de S<sup>o</sup> Miguel and in the Nature Park of Ria Formosa. All highly interactive trips include full description and explanation of the geology, fauna, flora and the cultural heritage by using field guide books (of birds, plants, flowers, reptiles, mammals, amphibious and insects) as well as optical equipment (binoculars and telescope). Each tour group (max of 8 people), is accompanied by an experienced and knowledgeable local guide who can speak English, French, Spanish and Portuguese.
